**Private Medical Treatments on the
logical view of Man's Age**
BY M. B. LA CROIX M. D. Surgeon, N.Y.
120 Pages and 150 Vign. Plots in 4 Colored Plates
\$2.50
The author, a prominent physician, presents a logical view of man's age and the private medical treatments that are necessary for the maintenance of health. The book is a valuable contribution to the study of the human body and its functions. It is a must for every physician and a valuable reference for every student of medicine. The book is written in a clear, concise, and logical manner, and is a valuable contribution to the study of the human body and its functions. It is a must for every physician and a valuable reference for every student of medicine.
